Public Notice

The Texas Health and Human Services Commission (HHSC) is submitting to the Centers for Medicare and Medicaid Services (CMS) a request for an amendment to the Youth Empowerment Services (YES) waiver program, a waiver implemented under the authority of §1915(c) of the Social Security Act. The Centers for Medicare and Medicaid Services has approved this waiver through March 31, 2018. The proposed effective date for the amendment is September 1, 2015, with no changes to cost neutrality. The proposed amendments are considered non-substantive for purposes of 42 CFR §441.304.

This amendment request proposes to make the following changes:

- 1) Expand the Youth Empowerment Services waiver statewide.
- 2) Add 350 slots to the Point-In-Time (PIT) enrollment limit for a total of 1,000. The Factor C, or unduplicated count, will not be changed; it remains 1,300 for Waiver Year 3.

The YES waiver program is designed to provide community-based services to children with serious emotional disturbances and their families, with a goal of reducing or preventing children's inpatient psychiatric treatment and the consequent removal from their families. The waiver is currently approved to serve up to 1,300 eligible youth who are at least age three but under age 19 and who are predicted to remain in the waiver for 12 months.

To obtain copies of the proposed waiver amendment, including the YES settings transition plan, or if you have questions, need additional information, or wish to submit comments regarding this amendment or the YES settings transition plan, interested parties may contact Jacqueline Pernell by mail at Texas Health and Human Services Commission, P.O. Box 13247, Mail Code H-370, Austin, Texas 78711-3247, phone (512) 428-1931, fax (512) 730-7472, or by email at TX_Medic-aid_Waivers@hhsc.state.tx.us.
