A freestanding Community Clinic serving all age groups is operated in Miller County Arkansas to meet the needs of the under-served and under-insured.

Additional Information:

Use this space if more space is required for comments or to elaborate on any of the information supplied on this form. Please refer to the response by question and item number.

#2d - Medically Indigent - shall mean the patient whose medical or hospital bills after payment by third - party payers exceed a specified percentage of the persons annual gross income, and unable to pay the remaining bill. The patient who incurs catastrophic medical expenses is classified as medically indigent when payment would require liquidation of assets critical to living or would cause undue financial hardship to the family support system. If a family's income exceeds the poverty guidelines then the patient may qualify to apply for a grant for the amount of the bill that is in excess of 25% of the family's annual gross income. A payment plan may be established to pay the remaining balance.
