I. Charity Care Policy:

1. Include your hospital's Charity Care Mission statement in the space below.

As a part of its mission, Methodist Health System provides charity care to patients who lack the ability to pay for hospital services.

2. Provide the following information regarding your hospital's current charity care policy.

a. Provide definition of the term **charity care** for your hospital.

Patients eligible for charity consideration will include both Financially Indigent and Medically Indigent applicants who have adequate resources to pay for services provided. Financially Indigent patients included those patients who are uninsured or under insured, whose annual income is equal to or less than the Federal Poverty Guidelines, as published each February in the Federal Register, and who have no ability to pay for their medical care. Medically Indigent patients include those patients who are capable of paying for their living expenses, but whose medical and hospital bills, after payment by third party payers, would require use or liquidation of income and/or assets critical to living or earning a living.
