

TRAIN is a free service of the Public Health Foundation and the Community Preparedness Section of the Texas Department of State Health Services.

Registering for a TRAIN Account Allows You to:

- o Take advantage of training opportunities for your geographic area and online.
- o Print certificates and a personal transcript of your completed courses.
- o Do your part to help your community be prepared and to protect the public's health and safety.

Texas Department of State Health Services Community Preparedness Section

**P.O. Box 149347 MC:1926
Austin, TX 78714-9347**

Training Opportunities for Texas SNS Volunteers on

Prepared. On track. Online.

Anyone can create a TRAIN account and take advantage of free training.

SNS and POD Training

Courses in **BOLD** offer CEUs

To create an account:

1. Access the TRAIN website at <https://tx.train.org>.
2. Select Create Account on the left.
3. Agree to the TRAIN policies; then enter the required information.
4. When asked to choose a group, be sure to choose the State Portal. Be sure to choose NOT an HHS Enterprise employee. You can also add the MRC, HRSA, or the CDC portal.

To find courses:

Search By Course ID

Course ID

On the TRAIN home page, enter the Course ID number and press Enter.
