

Industrial X-Ray Equipment Registration

For a **new** Certificate of Registration for Industrial Radiation Machines, please submit the following along with the appropriate fee:

- RC Form 226-3 – Application for Registration of Industrial Radiation Machines.
- Radiation Safety Officer (RSO) qualifications.
Submit documentation of experience, education, and/or training.
- RC Form 226-1 – Business Information Form.
- To determine the fee for your facility refer to Title 25 Texas Administrative Code (TAC) §289.204.
- For registration and radiation safety requirements for industrial x-ray equipment please refer to 25 TAC §289.226 and 25 TAC §289.228.

For information please contact Shannon Dove-Edson at (512)834-6688, #2243, or Sue Jean at (512)834-6688, #2248.
