10 Years of Service to the State

Congratulations on reaching this all important milestone.

As you celebrate the past and look forward to the future, I commend your dedication, compassion and outstanding contributions to our communities on cancer prevention, early detection and treatment, professional training, cancer data and planning, and survivorship. You highlight the very best of the Lone Star State.

First Lady Anita Perry joins me in sending best wishes for continued success.

In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin, this the 12th day of September, 2008.
