SUBJECT: Quarterly Online CCNE Sharing Session – Health Fairs

Please join us for the WIC Quarterly Online Sharing Session **Wednesday, October 9, 2013, 12:00 – 1:00 p.m. CST**, to discuss Client-Centered Nutrition Education (CCNE). All Local Agency staff, particularly Nutrition Education Coordinators, are invited and encouraged to attend. This quarter we will be discussing offering health fairs in your clinics, including the pros and cons, a brief how-to, available materials, etc. We will hear from agencies currently conducting health fairs about what they are doing and their experiences. We will discuss potential options to replace IDL trainings in the upcoming months, as well as new and upcoming CCNE lessons, trainings, and resources. This will be a great opportunity to get the latest updates, as well as share your questions and ideas. We hope you will be able to join us.
