SUBJECT: Save the Date – Mother-Friendly Worksite Webinar

Implementing best practice policies for breastfeeding promotion and support is vitally important and should include procedures and practices that support staff, as well as participants. All WIC State and Local Agencies must be designated as Mother-Friendly Worksites by December 31, 2014. In an effort to make this a smooth transition, the WIC State Office has arranged a webinar to answer questions and to help in the preparations to become designated or re-designated as a Mother-Friendly Worksite.

Webinar Dates and Times:
