DATE: October 31, 2014

SUBJECT: Prenatal Breastfeeding Education Bag Order Adjustments

The purpose of this communication is to notify you of adjustments made to the October order of Prenatal Breastfeeding Education Bags. Please notify all staff who ordered bags for their clinics.

Due to a limited quantity of the English-language bags, the orders for this item will reflect cuts for some local agencies. This order is currently being delivered and will continue to be delivered through the end of the month. The next opportunity to order bags will be November 2014 with expected delivery in December 2014.

If you anticipate that your clinics may run out of bags before the December delivery, please be prepared to follow the contingency plan in Policy BF:01.0, *When preassembled bags are not available, each pregnant participant should be given a breastfeeding DVD (stock no. DV0057), a Dad/Partner brochure, and a Grandparent brochure at a minimum, in the appropriate language in lieu of a preassembled bag.*

If you have questions or need additional information, please contact Leticia De La Rosa, at Leticia.delarosa@dshs.state.tx.us or (512) 341-4567.
