

Memorandum

#14-148

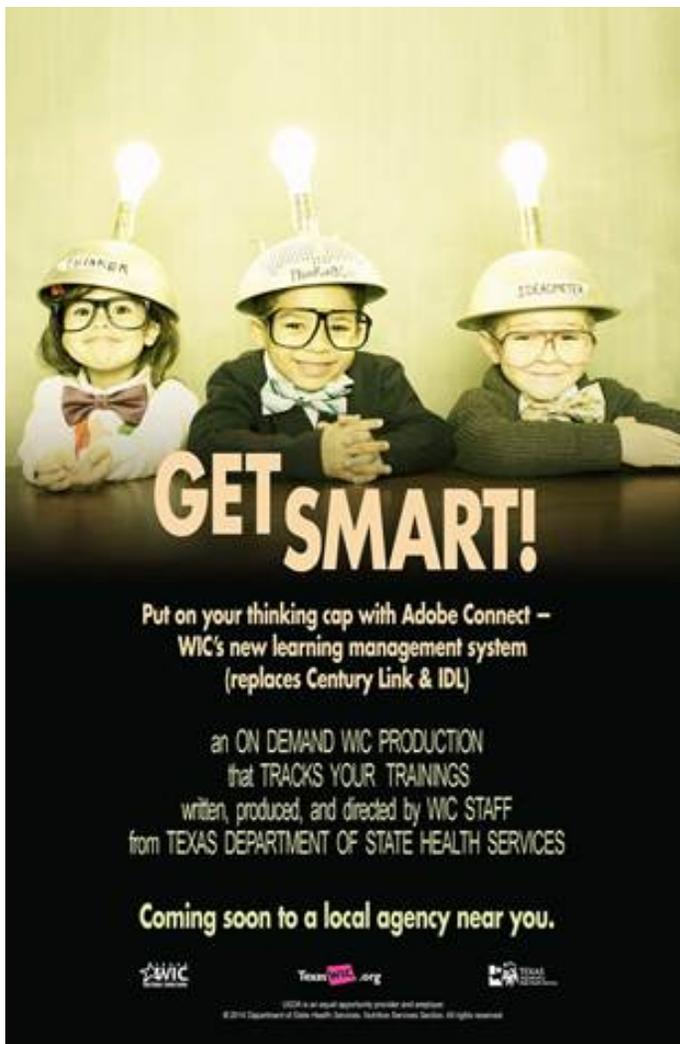

TO: WIC Local Agency Directors

FROM: Amanda Hovis, Unit Manager
Nutrition Education/Clinic Services Unit
Nutrition Services Section

DATE: December 29, 2014

SUBJECT: New Training System Coming in 2015

In an effort to provide more user friendly and convenient trainings for staff, Texas WIC is replacing Century Link and IDL with the new Learning Management System (LMS), Adobe Connect, next spring.

With the new system, you and your staff will be able to:

- Attend both live and recorded webinars
- Complete on-demand trainings on your own schedule
- Certify and track trainings within the system

You'll be receiving a promotional poster in the mail in December or early January. Please print and post it in your clinic to update your staff.

More details coming soon....
