

## Memorandum

---

---

**#15-033**

**TO:** WIC Regional Directors  
WIC Local Agency Directors

**FROM:** Amanda Hovis, Director  
Nutrition Education/Clinic Services Unit  
Nutrition Services Section

**DATE:** March 18, 2015

**SUBJECT:** DVD of Baby Behavior Pre-Conference Session

---

---

A recording of Dr. Jane Heinig's preconference session "Secrets of Baby Behavior" from the 2014 Nutrition and Breastfeeding Conference has been sent to each local agency. The 2-DVD set has the preconference session as well as recorded instructions on how to use the Texas Baby Behavior Campaign training materials.

The intent of these DVDs is to allow those who were not able to attend the preconference to watch, and also to serve as a refresher before training your staff. The DVDs are not meant to replace the Texas Baby Behavior Campaign training materials facilitators' guide.

For more information or questions regarding the training materials or if you have concerns about training your staff, contact Katie Coyne, Breastfeeding Training Specialist, at [katie.coyne@dshs.state.tx.us](mailto:katie.coyne@dshs.state.tx.us) or 512-341-4594
