

Memorandum

#15- 085

TO: WIC Regional Directors
WIC Local Agency Directors

FROM: Amanda Hovis, Director
Nutrition Education/Clinic Services Unit
Nutrition Services Section

DATE: August 3, 2015

SUBJECT: Formula Code and Food Package Number 453

This memo is to clarify that formula code 453 is a special metabolic formula LMD and requires special approval. The State Agency has been monitoring and noticed formula code 453 has been inadvertently issued instead of food package code 453. This error occurred when clinic intended to issue 453 as the food package code.

To prevent this error, please make sure to:

- Check the formula issued before giving the shopping list to the participant
- Ask participants to check their shopping list for the correct formula

If you have any questions, or need assistance, please contact Patricia Koym, MS, RD, LD Clinical Nutrition Formula Specialist at 512-341-4578 or patricia.koym@dshs.state.tx.us
