**#15-111**

**TO:** WIC Regional Directors  
WIC Local Agency Directors

**FROM:** Amanda Hovis, Director  
Nutrition Education/Clinic Services Unit  
Nutrition Services Section

**DATE:** October 26, 2015

**SUBJECT:** Abbott Milk and Gerber Soy Infant Formula Rebate Contracts Extended

---

---

Recently we've received several questions about the length of the current formula rebate contracts. The original three year terms of the Texas WIC Infant Formula Rebate Contracts were scheduled to expire September 30, 2015. Both the milk and soy-based contracts were extended for 2 additional years and will now expire September 30, 2017. Abbott will continue to hold the milk-based contract and Gerber will continue to hold the soy-based contract. New contracts will be procured in late 2016.
