Summary of Revisions

Texas WIC Policy AC: 29.0 WISE Cost Report, WIC 227A

This policy has been updated to remove the reporting requirement related to calculating the costs of immunizations.

Summary of Changes:

1. Purpose: Removed the requirement to comply with a federal mandate to conduct an annual cost per shot calculation.
2. Policy: Removed the State Agency's mandated fifth reporting category - cost of providing immunizations.
3. Guidelines: Removed the reference to the fifth reporting category.

These policy changes were submitted for TALWD for review.
