### Replacement of WIC EBT Training Cards

The category/subcategories for whole milk are changing effective December 1, 2010. As a result after this date stores will not be able to scan and ring up whole milk with your existing training cards.

If you want new training cards, **send a portion of your existing WIC EBT training cards to our office so we may replace them with the new training cards.**

Please complete the form on the reverse of this Vendor News Flash. Send the cards and form to:
