

## TCR Data Products

January–July 2020

Data Tables	
<a href="#">Limited-Use Data, 1995-2017</a>	Updated limited-use cancer incidence datasets to include cases diagnosed through 2017
<a href="#">Expected Cancer Cases and Deaths, 2020</a>	Projected numbers of new cancer cases and deaths for all primary cancer sites are available statewide, for each Public Health Region, and for counties with a population of at least 100,000
<a href="#">Cancer Incidence and Mortality in Texas, 2013-2017</a>	Age-Adjusted Cancer Incidence Rates and Counts by Sex and Race/Ethnicity, and by Sex and Age at Diagnosis Age-Adjusted Cancer Mortality Rates and Counts by Sex and Race/Ethnicity, and by Sex and Age at Death
<a href="#">Cause-Specific Survival for Malignant Cancers Diagnosed 2008-2017</a>	Cause-specific survival adjusts the observed survival for competing causes of death by only counting deaths due to the specific cancer site
<a href="#">Adolescent and Young Adult Cancer in Texas, 2013-2017</a>	Incidence rates by SEER AYA Site Recode Major Site Groups available statewide and for each Public Health Region
<a href="#">Childhood and Adolescent Cancer in Texas, 2008-2017</a>	Statewide incidence rates by ICCC Major Site Groups and Extended Classification Tables Incidence rates by ICCC Major Site Groups for each Public Health Region
<a href="#">Texas Prevalence Count as of January 1, 2017</a>	5-year and 21-year limited duration prevalence as of January 1, 2017
<a href="#">Relative Survival for Malignant Cancers Diagnosed 2007-2016</a>	Relative survival presents cancer survival adjusted for other causes of death by comparing the survival among patients with cancer, to the expected survival rates in a comparable population without cancer.
Data Visualization Tools	
<a href="#">TCR Web Query Tool, 1995-2017</a>	Updated cancer incidence/mortality rates and mapping tool to include data through 2017
Publications	
<a href="#">Texas Cancer Registry Data Use</a>	Provides an overview of how TCR data are used, including online cancer statistics resources, research journal publications and supported studies
<a href="#">TCR Data Dictionary</a>	Contains descriptions of data items that are available from TCR for analysis and research
<a href="#">2020 TCR Annual Legislative Report</a>	Annual report to the Texas Legislature
<a href="#">Texas Cancer Reporting News (Summer 2020)</a>	Biennial newsletter to Texas cancer reporters
