

## TYTAP Instructor List B

This list is current as of 02/23/2024 and includes licensed TYTAP Instructors in Texas approved to conduct virtual classes. You can contact the instructors on List B if you were unable to locate an instructor in your county or in a county near you on List A.

Approved TYTAP classes are only conducted by trained instructors (individuals) with an active State of Texas TYTAP license. TYTAP participants should verify that a TYTAP instructor is certified and listed below before paying for a TYTAP class. **Virtual classes offered by any individual or entity besides those listed here are not valid and the court might not accept a Certificate of Completion from an uncertified organization, instructor, or website.** Please email [Tobacco.Free@dshs.texas.gov](mailto:Tobacco.Free@dshs.texas.gov) and refer to Texas Health & Safety Code, Sec.161.253 for more information.
