**Texas Check Your
Blood Pressure
Week**

May 1-7, 2016

The Texas Cardiovascular Disease and Stroke Partnership, in coordination with the Texas Heart Disease and Stroke Program, invites your organization to participate in the First Annual Hypertension Awareness Week.

All interested entities, including but not limited to, local health departments, clinics, hospitals, faith-based organizations, and community coalitions, please contact Brandy Lee, at Brandy.Lee@dshs.state.tx.us, or (512) 776-3352.
