

WORKPLACE VIOLENCE AGAINST NURSES PREVENTION GRANT PROGRAM

UPDATED: Final Presentations from 2018-2019 Grant Recipients

The Texas Center for Nursing Workforce Studies, within the Department of State Health Services, awarded grants to fund innovative approaches to reduce verbal and physical violence against nurses.

Join us in learning how the inaugural round of awards was spent, what organizations learned through their workplace violence prevention programs, and how nurses were impacted!

Join us on Wednesdays at 3pm for a 30-minute presentation from each award recipient followed by a 15-minute Question and Answer period.

Date	Grant Recipient	Program Description
January 15 th	Houston Methodist Hospital	Proposed installing duress buttons throughout nursing units in the hospital
	Methodist Health System Foundation – Dallas	Proposed a train-the-trainer program to develop nurse leaders into resources for training other nursing staff
January 22 nd	Encompass Health Rehabilitation Hospital of The Woodlands	Proposed using two different training programs and implementing a pre-and post- test to determine which to use in their facility
January 29 th	Baylor Scott and White Medical Centers	Proposed a multifaceted education program that adapted a screening tool primarily used in psychiatric units
	Parkland Health & Hospital System <i>*Date changed</i>	Proposed a multi-pronged approach that includes staff training/education, personal protective equipment, physical and environmental infrastructure, a peer support program, and a community awareness campaign
February 5 th	Baylor Scott and White All Saints Medical Center	Proposed a multifaceted education and training program
	Midland Memorial Hospital	Proposed educating nurse leaders through a Leadership Excellence Advancement Development (L.E.A.D) event
