Provide information on name, brief description (3 lines), target population or purpose (3 lines) for each of the community benefits projects/activities CURRENTLY being undertaken by your hospital (example: diabetes awareness).

Knowing that every child's life is sacred, it is the Promise of Cook Children's to improve the health of every child in our region through the prevention and treatment of illness, disease and injury. Cook Children's is more than a nationally known medical center. It is one of the country's leading integrated pediatric health care systems. Based on the initial survey results, Cook Children's Board prioritized seven health issues to address: asthma, childhood obesity, dental health, mental health, safety (unintentional injuries), access to health care and child maltreatment.

Additional Information:
Use this space if more space is required for comments or to elaborate on any of the information supplied on this form. Please refer to the response by question and item number.
