Clarification of report: The report is a compilation of monthly reports from counties that are not covered by hospital districts or public hospitals to determine when counties may be eligible for state assistance funds. There is no set percentage of GRTL expenditures mandated by Chapter 61, Health and Safety Code. However, to be eligible for state assistance funds, a county must spend in a state fiscal year at least eight percent of the county's general revenue on eligible county residents. Expenditures do not reflect audited figures
