Reading of the GETAC Vision and Mission Statements Richard Smalling, MD, Chair

GETAC Vision:

A unified, comprehensive, and effective Emergency Healthcare System.

GETAC Mission:

To promote, develop, and advance an accountable, patient-centered Trauma and Emergency Healthcare System.

Recognition of outgoing members, announcement of new members Richard Smalling, MD, Chair

Review and Approval of August 2017 Meeting Minutes Richard Smalling, MD, Chair

Discussion and possible action on the following items: Committee Members

1. GETAC Chair Report on the October 2017 GETAC Planning Retreat Robert Greenberg, MD, GETAC Chair

2. Update on Regional Advisory Council (RAC) survey tool for ST-elevation myocardial infarction (STEMI)/Out-of-Hospital Cardiac Arrest (OHCA) gap analysis Jamie McCarthy, MD

3. Update on outline for white paper detailing STEMI best practices in Texas Jamie McCarthy, MD

4. Texas definition of out-of-hospital cardiac arrest (OHCA) Center of Excellence Committee Members

5. Update regarding the formation of a working group responsible for surveying Regional Advisory Councils (RACs) to determine:

A. Number of ambulances and training level of providers in each Trauma Service Area

B. Number of EMS providers with 12 lead electrocardiogram machines

C. Gap analysis to optimize STEMI pre-hospital care provision

..... Jamie McCarthy, MD, David Wampler, PhD, Committee Members

6. Guidance from GETAC regarding recommended number of committee members, the importance of regional representation, and distribution of expertise Committee Members

7. Potential “opt-in” versus “opt-out” recommendation to GETAC regarding GovDelivery notifications regarding GETAC and the Texas EMS & Trauma Newsletter Committee Members

8. Review Progress on Goals for the GETAC Cardiac Care Committee in 2017:

A. Establish a public education initiative reinforcing the importance of calling 911 for patients with chest pain

B. Establish educational materials reinforcing the importance of administration of fibrinolytics in STEMI patients prior to transport for emergent percutaneous coronary intervention (commonly abbreviated as “PCI”)

C. Standardize specific cardiac data elements for each RAC to collect and report to the committee for STEMI Care analysis

..... Committee Members

9. Review the following palliative care documents: *Palliative Care Guidelines (American College of Surgeons)*, *Adult Comfort Care Order Set Sample (Vanderbilt University Medical Center)*, and the *Best Practices Guide: Palliative Care for Review (American College of Surgeons)* Committee Members

10. Initiatives, programs and potential research that might improve acute cardiac care in Texas
..... Richard Smalling, MD, Chair

General Public Comment

(Comment time may be limited at Chair’s Discretion)
