Trauma & Critical Care Conference

June 3 & 4, 2010

AT&T Executive Education and Conference Center

Austin, Texas

Austin is home to the Capitol of Texas, great live music, and some of the leading minds in medicine. Come join us! You can see bats fly from the Ann Richards Bridge, enjoy the city's live music, and hear from the nation's experts in Trauma and Critical Care.

PROGRAM

The Austin Trauma & Critical Care Conference offers comprehensive continuing education for physicians in the treatment of critically ill and injured patients, stressing current basic and cutting edge guidelines and technology for evaluation, diagnosis and management. The course is designed to enhance the knowledge and skills of those caring for ill and injured patients in rural, urban and suburban hospitals.
