Sylvia.Odem@dshs.state.tx.us**

Texas Department of State Health Services wants-

- to obtain 100% facility participation statewide so all areas of Texas are well represented.
- Provide facilities with 2007 data summary highlights, outcomes of interest, and benchmarks in providing care.
- Increase provider representation on the Provider Advisory Board to include an HIV care provider from each area in Texas
- Increase community awareness by expanding the roles of our Community Advisory Board
