

New COVID-19 Rapid Entry Feature in ImmTrac2

Healthcare providers can now enter their patient COVID-19 vaccination records faster and easier using the new "covid-19 rapid entry" feature in ImmTrac2. Read all about it now!

Learn the latest.

Annual Re-Enrollment Summary

We have again completed another successful year for the 2021 TVFC/ASN re-enrollment period. Learn how the pandemic affected enrollment, the results of the Satisfaction Survey, and more.

Calendar Tracking in IQIP Database

Did you know that the IQIP database has two calendars that are tracking dates? The dates entered into these two sections are very important for the full IQIP cycle. Learn a better way to navigate the database.

Enrollment No PIN Report

Due to compliance with CDC and site visit timelines, the process for the Enrollment No PIN Report has changed. Central Office will not accept Enrollment Forms signed by the signing clinician with a date that **exceeds 90 days** moving forward. Review this and all the changes you need to know now.

Events

- MAR 10** National Women and Girls HIV/AIDS Awareness Day
- MAR 17-20** 24th Annual Hispanic Health Conference
- MAR 20** National Native American HIV/AIDS Awareness Day
- MAR 24-27** National Conference on Pediatric Health Care
- APR 26-27** Annual Conference on Vaccinology Research

Three Data Exchange Webinars in March

The Texas Immunization Registry is excited to announce it is hosting the next live webinars in their data exchange series. Register for one of the three webinars now. [Learn more.](#)

TVFC Pediatric Provider COVID-19 Enrollment

In anticipation of the pediatric COVID-19 vaccine being approved for full pediatric administration, the Texas Department of State Health Services (DSHS) Immunization Unit is encouraging all Texas Vaccine for Children (TVFC) pediatric providers to enroll in the COVID-19 Vaccine Program.

[Learn more information now.](#)

Spring Break Schedules & Deliveries

Please ensure provider information is current in EVI, and closure dates listed in the comments section of orders. DSHS did not black out shipping dates, which may become problematic due to providers being closed during spring break.

Responsible Entities should continue to approve or hold orders as necessary to ensure vaccine delivery when providers are available.

New Pediatric Combination Vaccine Coming Soon

The DSHS Immunization Unit is excited to inform our pediatric partners who participate in the TVFC Program about the new pediatric combination vaccine option, Vaxelis®. This is the first vaccine with six components to be made available for the pediatric population. [Find out more.](#)

Revised Consent Forms for ImmTrac2

The following consent forms, which can be found at <https://www.dshs.texas.gov/immunize/immtrac/forms.shtm>, have been revised in their English format:

- Form C-7 Immunization Registry (ImmTrac2) – Minor Consent Form
- Form EF11-13366 Immunization Registry (ImmTrac2) – Adult Consent Form – English only
- Form F11-12956 Immunization Registry (ImmTrac2) – Disaster Information Retention Consent Form

The Spanish versions will be available after translation.

To match what is now in the ImmTrac2 user interface, Race and Ethnicity have been added to these forms:

Race (select all that apply):			Ethnicity (select only one):	
<input type="checkbox"/> American Indian or Alaskan Native	<input type="checkbox"/> Asian	<input type="checkbox"/> Black or African American	<input type="checkbox"/> Hispanic or Latino	
<input type="checkbox"/> Native Hawaiian or Other Pacific Islander	<input type="checkbox"/> White	<input type="checkbox"/> Other Race	<input type="checkbox"/> Not Hispanic or Latino	
<input type="checkbox"/> Recipient Refused			<input type="checkbox"/> Recipient Refused	

For questions please contact ImmTrac2 customer support at ImmTrac2@dshs.texas.gov.

ImmTrac2 Announces Revised Disaster Video

The "Online Disaster Reporting" video, which can be found on our User Training webpage at <https://www.dshs.texas.gov/immunize/immtrac/User-Training/>, has been updated to be more relevant to the COVID-19 pandemic.

Instructional Videos for ImmTrac2 Users		
This video series covers a variety of topics to help registered users navigate ImmTrac2, the Texas Immunization Registry.		
Title	Description	Video Scripts
Online Disaster Reporting (20:54)	This video describes how disaster consents are different than standard consents, how to enter disaster consents, and how to add disaster immunizations.	Script

The video has been broken down into three smaller videos:

- ImmTrac2 – Disasters Part 1 – Adding Disaster Consents and Clients
- ImmTrac2 – Disasters Part 2 – The Tales of Five Disaster Clients
- ImmTrac2 – Disasters Part 3 – Adding Disaster Immunizations

For questions please contact ImmTrac2 customer support at ImmTrac2@dshs.texas.gov.

ACIP Releases New Immunization Schedules

The 2021 Advisory Committee on Immunization Practices (ACIP) Recommended Immunization Schedules were released recently with revised recommendations impacting select vaccines, and new COVID-19 vaccine recommendations. [Learn more.](#)

CISP Offers New Social Media Infographics

The Childhood Immunization Support Program (CISP) has created new vaccination infographics for social media. Ten new infographics are available on the [AAP Immunization Campaigns and Toolkits page](#). Please consider sharing these infographics through your social media accounts to encourage on-time, vaccination and protection of children.

AAP Offers Free Online HPV Vaccine Course

The American Academy of Pediatrics (AAP) is offering a free, online course titled "[HPV Vaccine: When, Why, and How](#)" which addresses HPV vaccine and cancer prevention, recommending the HPV vaccine and increasing HPV vaccine rates. [Read more](#).
