RE News: How Health Care Sharing Ministries Can Affect TVFC Eligibility, Gearing Up for Flu Season, and More

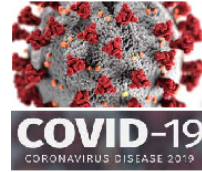

Texas Health and Human Services Commission sent this bulletin at 01/06/2022 05:00 PM CST / Este e-mail ha sido enviado por Texas Health and Human Services Commission el 01/06/2022 05:00 PM CST

Gearing up for Flu Season

The 2021-2022 flu season is here and the Centers for Disease Control and Prevention (CDC) surveillance systems are detecting slow but steady increases in influenza (flu) activity nationally. [Click here](#) for more information about common flu symptoms, reasons to get the flu vaccine, safety precautions, treatment response and preparedness, and more.

ImmTrac2/VAOS Notice – A New Way to Sign In!

The Department of State Health Services (DSHS) is implementing a new way for users to sign into multiple immunization related applications using a single User ID. This new feature is referred to as Single-Sign-On (SSO) and will provide access to ImmTrac2, the Immunization Program Portal (Syntropi), and the Vaccine Allocation and Ordering System (VAOS). [More information here.](#)

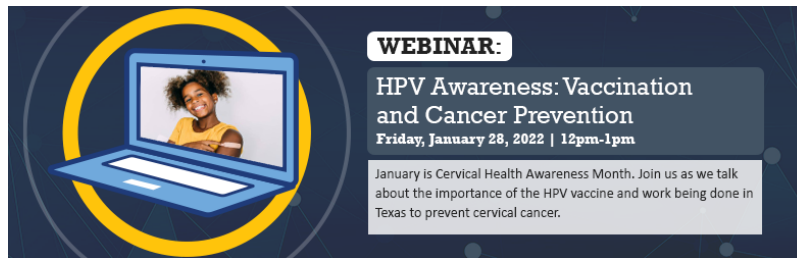

Events

- JAN** Cervical Health Awareness Month
- JAN 26** HPV Awareness: Vaccination and Cancer Prevention
- FEB** International Prenatal Infection Prevention Month
- MAR 22-25** National Conference on Pediatric Health Care
- MAR 28-30** Vaccines Summit Boston 2022

Migration To VAOS Has Been Delayed

As previously announced, due to a high volume of re-enrollment requests and technical difficulties, **we are postponing the retirement of EVI and transition to VAOS until further notice.** With this recent update, we will postpone the VAOS training webinar series for now. We will continue to communicate a new timeline with key updates around training webinars and the transition to VAOS as they become available. [Read more here.](#)

Registration Information for HPV Awareness webinar, Friday, January 28th, 2022:

Registration URL: <https://attendee.gotowebinar.com/register/1339463967287871244>

Webinar ID: 606-362-907

We look forward to seeing you!

2022-2023 Start Date for Placing TVFC Pediatric Influenza Orders

Texas Vaccines for Children (TVFC) providers can officially begin placing orders for the 2022-2023 Influenza season on **January 10, 2022**.

During this season the survey instructions, survey link and password will come from **Aichemer** (formerly Survey Gizmo). Keep in mind that orders placed at this time will be delivered in the fall of 2022.

The deadline for completing the survey is Monday, January 24, 2022 at 5:00 p.m. CST.

Forms and Publications - What You Need to Know

HAPPY NEW YEAR! Did you know that Texas Vaccines for Children (TVFC) and Adult Safety Net (ASN) Program forms are updated throughout the year? Whenever you need a form, please visit our website to download and ensure that you are using the most current version. For more about the current forms and links to download, [click here](#).

Coming Soon: COVID Digital Vaccine Record

The Department of State Health Services is currently developing an application that will allow the general public to access their digital COVID vaccination record through a web-based portal. Launch date for the application is set for early 2022. Additional information will be made available in the coming weeks.

You have subscribed to get updates from the Texas Department of State Health Services' Immunization Unit. For more information, please [email us](#) or [visit our website](#).
