

## **SURVEY ON BILLING PROCESSES/CHALLENGES FOR TEXAS NEWBORN SCREENING KITS**

The Texas Department of State Health Services (DSHS) Newborn Screening Laboratory is gathering information about billing processes used and challenges faced by healthcare providers to obtain reimbursement for newborn screening test kits.

DSHS is conducting this survey to:

- Gain understanding of potential billing barriers faced by healthcare providers
- Gather information as part of a larger study by DSHS to assess the most effective way to bill private insurers for newborn screening kits.

Click [here](#) to complete this quick survey. Your responses are confidential and any information provided will be used as part of the billing effectiveness study only. Your participation is greatly appreciated.

**Please complete survey by Sunday, April 15, 2018.**

The study is required by the 2017-2018 General Appropriations Act, S.B. 1, 85th Legislature, Regular Session, 2017 (Article II, Department of State Health Services, Rider 37).
