

A L I C E K G O N G , M D

Alice K Gong, M.D., is a Professor of Pediatrics at The University of Texas Health Science Center at San Antonio (UTHSCSA), Department of Pediatrics.

Dr. Gong received her M.D. degree at the University of Mississippi Medical Center and did her neonatal-perinatal medicine training at the State University of New York in Buffalo.

Dr. Gong has received many honors and awards during the course of her career, which spans over 30 years. Recently, she received a special achievement award, presented by the American Academy of Pediatrics for distinguished service and dedication to the mission and goals of the academy for her tireless efforts related to expanding the newborn screening program. She was also recently given the J.T. "Lamar" McNew Award by the Texas Medical Association to honor her outstanding service to residents and fellows in Texas.
