

# FY 2015 FEE RESOURCE MANUAL

---

### **PREFACE**

Pursuant to the requirement of Texas Department of State Health Services Rider 15, S.B. 1, 83rd Legislature, Regular Session, the Texas Department of State Health Services has reviewed the fee schedules within its authority. Attached is a copy of the *FY 2015 Fee Resource Manual*.

This manual compiles basic information about the fee programs administered by the Texas Department of State Health Services. Information contained in this manual includes the date of origin and the statutory authority for each fee. A brief description of the fee, its revenue history, and deposit coding information are also included.

Revenue collected for administrative penalties; fees assessed by the Texas Online Authority Convenience Fees to recover costs associated with application and renewal application processing through Texas Online; or fees assessed by occupational licensing programs to fund the Office of Patient Protection within the Health Professions Council are reported separately in Section V of this manual.

This manual is updated annually. Requests for additional information or recommendations for improving the manual may be sent to the Accounting Section, Texas Department of State Health Services, 1100 W. 49th Street, Austin, TX 78756. Comments may also be sent via e-mail to [Leslie.Aguilar@dshs.state.tx.us](mailto:Leslie.Aguilar@dshs.state.tx.us).

VACCINE ADMINISTRATION FEE (FOR CHILDREN AND ADULTS)	
<p>As of 1/1/2013 the maximum administration fee that a Texas Vaccines for Children (TVFC) provider may charge an eligible TVFC patient has increased from \$14.85 to \$22.06 per dose (except for those children who are enrolled in Texas Medicaid or the Texas Children's Health Insurance Program (CHIP)). For Texas Medicaid and CHIP eligible patients, the provider should continue to bill the administration fee to the appropriate health plan. If a TVFC provider does not bill CHIP for the administration of a vaccine to a CHIP enrolled child, the provider cannot use TVFC vaccines for this child. <b>If a client is unable to pay for the administration fee of the vaccine, the provider cannot deny the vaccine to the client.</b></p>	
<p>Only uninsured adults are eligible for vaccines under the Adult Safety Net (ASN) program. An ASN enrolled provider may charge an administration fee to the client for each dose that is administered. This charge cannot exceed a maximum of \$25.00 per dose per client. <b>If a client is unable to pay for the administration fee of the vaccine, the provider cannot deny the vaccine to the uninsured client.</b></p>
