TEXAS DEPARTMENT OF STATE HEALTH SERVICES
FISH AND SHELLFISH CONSUMPTION ADVISORY
ADV-56

This advisory is issued as a result of sampling of Echo Lake, Tarrant County. Common carp and largemouth bass samples collected from Echo Lake continue to indicate the presence of polychlorinated biphenyls (PCBs) at concentrations exceeding health assessment guidelines established by the Texas Department of State Health Services (DSHS). Common carp samples also contain dieldrin and polychlorinated dibenzo-p-dioxins and dibenzofurans (PCDDs/PCDFs or dioxins) at concentrations exceeding health assessment guidelines by the DSHS. Consumption of common carp and largemouth bass from Echo Lake may pose a threat to human health.

COUNTY: Tarrant
AREA: Echo Lake
