

2025-26 Texas Public Health Fellowship - Fellow Application

IMPORTANT INSTRUCTIONS! PLEASE READ!

Dear Applicant,

Thank you for your interest in the Texas Public Health Fellowship. Please read the following instructions BEFORE starting your application. Following these instructions will improve your application and help you to be considered for a fellowship.

Thank you,
The Texas Public Health Fellowship Team

Review Available Fellowships

Review [Available Fellowship Descriptions](#). Before starting this application, please review available fellowships on the Texas Public Health Fellowship website. Each fellowship is different with unique public health topics, activities, and deliverables. Note the name and fellowship ID# for the fellowships that interest you. You are able to apply to a maximum of five fellowships in your application.

Complete Online Application

This application is designed to help us understand your public health interests and career goals. While we are interested in learning about what you've done in the past, we are also interested in what you'd like to do in the future. We want to make sure you are interested in the projects and public health work you will do as a fellow and are excited about the skills you'll learn and practice during the fellowship. Please answer each question sincerely and carefully.

If you'd like to review the application questions BEFORE starting the online application, you can [download the application questions](#) from our website.

Prepare Your Resume and Short Essays

We recommend preparing your resume and essays BEFORE starting this application. Please see the [Eligibility and How to Apply page](#) on our website for detailed instructions on how to prepare your resume and the essay responses.

Prepare Your References

You are responsible for identifying two references. Your references will be required to complete our Reference Survey. You are responsible for sharing the survey link with your two references. Reference Surveys are due February 16, 2025. We recommend communicating with potential references as soon as possible. For detailed instructions see the [Eligibility and How to Apply page](#) on our website.

Reference Survey link:

Accessing Your Saved Application:

You will be able to re-access this application, but we recommend completing it in one sitting. To re-access your application, please return to the 2025-26 Texas Public Health Fellowship Online Application using the same web browser and computer you used to start your application.

Applications are due on February 16th, 2025 by 11:59pm.

2025-26 Texas Public Health Fellowship - Fellow Application

Applicant Information

* 1. Please share your contact information.

Your First Name

Your Last Name

Current Residential
Street Address

Current Residential
City/Town

Current Residential
State/Province

Current ZIP/Postal
Code

Your Email Address
(please use an
email address that
you will be able to
access through
August 1, 2025)

Your Phone
Number (we may
need to contact
you by phone
about Fellowship
interviews)

2. What is your gender?

Woman

Man

Prefer not to respond

3. What is your race? Please select all that apply, so we can understand how you identify yourself.

- White or Caucasian
- Black or African American
- Asian or Asian American
- American Indian or Alaska Native
- Native Hawaiian or other Pacific Islander
- Prefer not to share

4. What is your ethnicity?

- Hispanic or Latino
- Not Hispanic or Latino
- Prefer not to share

* 5. On June 1st, 2025, will you be at least 17 years of age?

- Yes
- No

* 6. Do you acknowledge this statement?

I understand that as a condition of employment, I will be required to provide legal proof of authorization to work in the United States for the duration of the Fellowship, June 1, 2025-May 31, 2026.

- Yes
- No

* 7. Do you acknowledge this statement?

I will commit full time (40 hours per week during regular business hours, 8:00am-5:00pm) to the Fellowship from June 1, 2025 to May 31, 2026.

Yes

No

* 8. As a condition of employment, all Texas Public Health Fellows must live in Texas during the Fellowship. Do you plan to live in Texas during the Fellowship, June 1, 2025 - May 31, 2026?

Yes

No

* 9. Are you a veteran?

Yes

No

2025-26 Texas Public Health Fellowship - Fellow Application

Your Public Health Interests

* 10. Public health is often described with five core disciplines. Please select the **TOP TWO** core disciplines that best align with your public health interests and career goals.

Public Health Core Discipline Definitions

Biostatistics:

Study of theories and techniques for collecting, analyzing, and interpreting quantitative data relevant to public health issues

Environmental Health Sciences:

Study of assessment, control, and prevention of factors in the environment that can adversely affect the health of present and future generations

Epidemiology:

Application of the scientific method to the study of disease in populations for the purpose of prevention and control

Health Policy and Management:

Study of the skills, values, and conceptual abilities needed for management roles in health care, health policy, and public health

Social and Behavioral Sciences:

Interdisciplinary study focusing on how health education can affect behavior and lifestyle decisions that have an impact on public health

- Biostatistics
- Environmental Health Sciences
- Epidemiology
- Health Policy and Management
- Social and Behavioral Sciences

2025-26 Texas Public Health Fellowship - Fellow Application

Your Public Health Interests

* 11. Please rank the **TOP TWO** public health core disciplines you selected in the previous question. Rank 1 is the core discipline most important to your public health interests and career goals.

		Biostatistics
		Environmental Health Sciences
		Epidemiology
		Health Policy and Management
		Social and Behavioral Sciences

* 12. What public health areas or sub-disciplines are you interested in focusing on during the Fellowship? Please select **no more than two**.

- Antimicrobial Resistance
- Binational Tuberculosis
- Cancer Epidemiology
- Community Engagement
- Disease Surveillance
- Facility Inspection (Food and Pool)
- Financial Management
- Geographic Information Systems (GIS), Data Analytics
- Health Communication
- Health Disparities
- Health Promotion
- Infectious Diseases

- Laboratory testing and analysis
- Maternal Child Health
- Organizational Excellence, Health Equity
- Policy Development
- Program Evaluation and Quality Assurance
- Program Management
- Public Health Emergency Preparedness and Response
- Public Health Informatics
- Public Health Law
- Retail Food Inspections
- Rural Communities
- Zoonosis Control

* 13. The following list of skills are important in public health. Please select the **TOP THREE** skills you would like to improve or acquire during the Fellowship.

- Data Analytics and Assessment Skills
- Policy Development and Program Planning Skills
- Communication Skills
- Cultural Competency Skills
- Community Partnership Skills
- Public Health Sciences Skills
- Management and Finance Skills
- Leadership and Systems Thinking Skills

2025-26 Texas Public Health Fellowship - Fellow Application

Your Public Health Interests

* 14. Please rank the **TOP THREE** public health skills you would like to improve or acquire during the Fellowship.

		Data Analytics and Assessment Skills
		Policy Development and Program Planning Skills
		Communication Skills
		Cultural Competency Skills
		Community Partnership Skills
		Public Health Sciences Skills
		Management and Finance Skills
		Leadership and Systems Thinking Skills

2025-26 Texas Public Health Fellowship - Fellow Application

Choose Your Fellowships

1. Review Available Fellowship Descriptions. Before starting this application, please review available fellowships on the Texas Public Health Fellowship website. Each fellowship is different with unique public health topics, activities, and deliverables. Note the name and fellowship ID# for the fellowships that interest you.
2. You are able to apply to a maximum of five fellowships. You will be able to apply to one or up to 5 fellowships with ONE application. When selecting your fellowship(s), make sure the public health topics align with your interests and career goals. Location alone will NOT ensure a good fit for you.
3. Consider the location of the fellowship(s) you select. If you apply to a Fellowship that will require that you relocate, please know that you will be responsible for relocation expenses.
4. Review all **Required Applicant Qualifications** in the Fellowship Description. These requirements MUST be met by the time the Fellowship starts on June 1, 2025.
5. Review the **Preferred Education Qualifications** and **Preferred Specialized and Technical Skills** in the fellowship Descriptions. Preferences are unique for each fellowship. These education and skills preferences are not required. Host Sites have listed preferred education and skills to help applicants understand the skills they will be focusing on during the fellowship. If you do not have these skills, that is ok. However, it is important that you are interested in developing these skills as you will need to be able to use them during the fellowship.

* 15. Please select the fellowship or fellowships (no more than 5) you'd like to apply to. You can apply to up to 5 fellowships in your application.

- Community Health Fellowship-Bell County, ID# 25001
- Community Health Education Fellowship-Cameron County, ID# 25002

2025-26 Texas Public Health Fellowship - Fellow Application

Spanish Language Skills

Some of the host sites prefer or require their fellow be able to speak and/or write in Spanish. Please answer the following questions, so we can best understand your Spanish language skills.

* 17. Please select the level of proficiency in your ability to **speak** Spanish.

- Native/Functionally Native: I converse easily and accurately in all types of situations. Native speakers, including the highly educated, may think that I am a native speaker, too.
- Advanced: I speak very accurately, and I understand other speakers very accurately. Native speakers have no problem understanding me, but they probably perceive that I am not a native speaker.
- Good: I speak well enough to participate in most conversations. Native speakers notice some errors in my speech or my understanding, but my errors rarely cause misunderstanding. I have some difficulty communicating necessary health care concepts.
- Fair: I speak and understand well enough to have extended conversations about current events, work, family, or personal life. Native speakers notice many errors in my speech or my understanding. I have difficulty communicating about health care concepts.
- Basic: I speak the language imperfectly and only to a limited degree and in limited situations. I have difficulty in or understanding extended conversations. I am unable to understand or communicate most health care concepts.
- I don't speak Spanish at all.

* 18. Please select the level of proficiency in your ability to **write** in Spanish.

- Native/Functionally Native: I can write easily and accurately in all types of situations.
- Advanced: I can write very accurately. Native speakers can understand my writing.
- Good: I can write well enough to communicate most information. I may make some errors, but these errors rarely cause misunderstanding.
- Fair: I can write and understand written language well enough to communicate about current events, work, family, or personal life.
- Basic: I can write the language imperfectly and only to a limited degree and in limited situations.
- I am not able to write in Spanish.

2025-26 Texas Public Health Fellowship - Fellow Application

Technical Skills

* 19. We'd like to learn about your current skill level and interest in learning certain computer programs. What level of comfort do you have using the following computer software or programs?

	I'm not interested in learning this software.	I have knowledge and interest in learning more, but little experience using the software.	I have some experience using the software, but need guidance or more training.	I have ability to use software effectively with some support.	I have broad skills in using the software and can use it independently.

* 20. For some fellowships, fellows will use and build data analytics skills. This could include data visualization, data management, and quantitative data analysis. We'd like to understand your interests in working with data and building data analytics skills.

Are you interested in building, practicing, or using quantitative data analytics skills during the Fellowship?

Yes

No

2025-26 Texas Public Health Fellowship - Fellow Application

Data Analysis Skills

* 21. Please select your current level of proficiency in your ability to do quantitative data analysis.

- Basic Skills: I have some awareness or knowledge of data analysis.
- Somewhat Skilled: I have done data analysis in coursework or school projects but have not applied data analysis skills in the real world.
- Skilled: I am comfortable with my knowledge and ability to apply data analysis skills.
- Proficient: I am very comfortable applying my data analysis skills and could teach data analysis skills to others.

2025-26 Texas Public Health Fellowship - Fellow Application

Your Education

We'd like to better understand your education background. We recognize that many applicants may be currently enrolled in a degree program or possibly planning to graduate soon or sometime during the Fellowship (June 1, 2025-May 31, 2026). Please answer the following questions, so we can best understand you and your education.

* 22. Are you currently enrolled in a school, college, or university?

Yes

No

2025-26 Texas Public Health Fellowship - Fellow Application

Your Education - Currently Enrolled in School

Please answer the following questions so we can understand your current degree program.

* 23. In what school, college, or university are you **currently enrolled**?

* 24. Is this degree program full-time?

Yes

No

* 25. The Texas Public Health Fellowship is a full-time training program with the expectation that Fellows be available to train and work at their Host Site 40 hours per week during regular business hours (8:00am-5:00pm).

Will you be able to commit to the Fellowship and maintain your responsibilities as a student?

Yes, I am able to commit full-time to the Fellowship

No, I am not able to commit full-time to the Fellowship

* 26. What degree are you currently seeking?

High School Diploma or GED

Associate's Degree

Bachelor's Degree

Master's Degree

Doctorate - PhD, DrPH, Etc.

Doctorate - MD, DO, DVM, etc.

* 27. What is/are your major(s)?

* 28. What date do you plan to graduate with this degree?

Please enter you expected graduation date.

Date

2025-26 Texas Public Health Fellowship - Fellow Application

Your Education - Highest Level of Education Completed

* 29. What is the highest level of education you have **completed as of today**?

- High school Diploma or GED
- Associate's degree
- Bachelor's degree
- Master's degree
- Doctorate - PhD, DrPH
- Doctorate - MD, DO, DVM
- I have not completed my High School Diploma or GED

* 30. From what school, college, or university did you complete your highest level of education?

* 31. For the highest level of education you have completed, what date did you graduate?

Please enter your graduation date.

Date

* 32. For the highest level of education you have completed, what was/were your major(s)?

2025-26 Texas Public Health Fellowship - Fellow Application
Your Education Plans

33. Is there anything about your educational plans you'd like to share with us?

2025-26 Texas Public Health Fellowship - Fellow Application

Completed Coursework and Training

* 34. Have you completed coursework or training on any of the following topics? Please check all that apply.

- Anatomy and/or Physiology
- Biology
- Business
- Chemistry
- Communicable Disease
- Community Engagement
- Statistics
- Cultural Competency
- Curriculum Development
- Data Analysis
- Data Management
- Disease Surveillance
- Emergency Management
- Environmental Health
- Epidemiology
- Finance
- Food Safety
- Health Disparities
- Health Promotion and Behavioral Science
- Infectious Diseases

- Laboratory Skills
- Medical Terminology
- Organizational Excellence
- Patient Education
- Phlebotomy
- Project/Program Management
- Public Health Policy
- Public Health Preparedness or Emergency Preparedness
- Public Speaking
- Spatial Analytics/GIS
- Vulnerable Populations
- Web Development (i.e., HTML coding)
- Zoonotic Diseases
- I haven't completed any coursework or training in any of these topics

* 35. Do you currently have, or are you planning to complete by June 1, 2025, any licenses, registrations, or certifications? Please select all that apply to you.

- Registered Nurse (RN)
- Driver's License
- Licensed Master Social Worker (LMSW)
- Licensed Clinical Social Worker (LCSW)
- Community Health Worker (CHW)
- Community Health Education Specialist (CHES)
- Registered Sanitarian (RS)
- Certified Food Manager
- I do not have and do not plan to have any licenses, registrations, or certifications.
- Other (please specify)

* 36. Have you completed or do you plan to complete by the start of the Fellowship (June 1, 2025) at least a bachelor's degree in a physical or life science or medical laboratory science?

- Yes
- No

* 37. Certain fellowships provide opportunities to complete the required exam to become a [Registered Sanitarian](#). Are you interested in becoming a Registered Sanitarian?

- Yes
- No
- Maybe

2025-26 Texas Public Health Fellowship - Fellow Application

Registered Sanitarian Interest

* 38. To be eligible for the Registered Sanitarian training and exam, you must hold a bachelor's degree from an accredited college or university including at least 30 semesters hours in a basic or applied science. Learn more about the requirements and ensure you meet them by reviewing the [Texas Department of Licensing & Regulation website](#).

Do you meet this education requirement currently or will you meet the requirement by the start of the Fellowship on June 1, 2025.

Yes

No

2025-26 Texas Public Health Fellowship - Fellow Application

Share Your Relevant Experience

Previous professional experience is NOT required to become a Texas Public Health Fellow. We'd like to understand where you are coming from and the experiences you have had in professional settings.

* 39. As of today, about how much full-time work experience have you had?

- 0-2 years
- 3-5 years
- 5-7 years
- More than 7 years

* 40. Please briefly describe the work experience you have had.

* 41. Do you have work or volunteer experiences that are relevant to your public health interests? Please list only the most relevant experiences.

2025-26 Texas Public Health Fellowship - Fellow Application

Your References

We require two of your references to complete our Reference Survey. Each reference should submit their own Reference Survey. Please share the link below with your references and ask them to complete this Reference Survey by February 16, 2025. If you have questions about gathering references, please contact our team for support (TxPHFellowship@dshs.texas.gov).

<https://app.smartsheet.com/b/form/6e233cb74b5e47d88159a27a1ed13008>

* 42. Reference #1 Contact Information

First and Last Name	<input type="text"/>
Title and Credentials	<input type="text"/>
Email Address	<input type="text"/>
Phone Number	<input type="text"/>

* 43. Reference #2 Contact Information

First and Last Name	<input type="text"/>
Title and Credentials	<input type="text"/>
Email Address	<input type="text"/>
Phone Number	<input type="text"/>

* 44. Your references will be required to complete our Reference Survey. You are responsible for sharing the survey link with your two references. Reference Surveys are due February 16, 2025. We recommend communicating with potential references as soon as possible. For detailed instructions see the [Eligibility and How to Apply page](#) on our website.

Reference Survey link:
