Health Services**

The Texas Department of State Health Services is committed to keeping school communities across Texas healthy and free of vaccine-preventable diseases. In order to better assist school communities, we ask that you fill out this short survey and provide information on immunizations in your school. This information will be used to create resources, trainings, and information to support school healthcare personnel.

For any questions regarding the survey, please reach out to us at VacCallCenter@dshs.state.tx.us.
