

Update - TVFC DSHS PHR and LHD Clinics Compliance Site Visits

Texas Vaccines for Children (TVFC) program DSHS Public Health Region (PHR) and Local Health Department (LHD) clinics,

On July 1, 2024, the Texas Department of State Health Services (DSHS) Quality Assurance contractor, TMF, began conducting annual TVFC program compliance site visits. TMF will be contacting you via email and phone to schedule your compliance site visit.

DSHS PHRs will continue to provide guidance and oversight to your DSHS PHR and LHD clinics. DSHS PHR team members will also continue to complete follow-up on action items found during compliance site visits and ensure completion prior to due date.
