

Texas Vaccines for Children (TVFC) Program 2025 TVFC/ASN Provider Policy Training
Now Available

Texas Vaccines for Children (TVFC) and Adult Safety Net (ASN) Providers,

The 2025 TVFC/ASN Provider Policy Training is now available on the [HHS Learning Portal](#).

Per TVFC and ASN program policy, the assigned primary and backup vaccine coordinators are required to complete the most current TVFC/ASN "Provider Policy Training" module each year.

Certificates of Completion for the most current TVFC/ASN "Provider Policy Training" module for the primary and backup vaccine coordinator must be uploaded electronically, in Syntropi, as part of the initial and re-enrollment process.

For questions, contact your Responsible Entity (RE).

Thank you for your continued partnership.
