Use this space if more space is required for comments or to elaborate on any of the information supplied on this form. Please refer to the response by question and item number. "2f. If the patient is an adult, ""Yearly Household Income"" means the sum of the total yearly gross income or estimated yearly income of the patient and the patient's spouse. If the patient is a minor, ""Yearly Household Income" means the sum of the total yearly gross income or estimated yearly income of the patient, the patient's mother and the patient's father. 2q. Support from an absent family member or someone not living in the household is only included if the patient is a dependent of the absent family member or someone not living in the household. 4b. Hospital may review credit reports and other publicly available information to determine, consistent with applicable legal requirements, estimated household size and income amounts for the basis of determining financial assistance eligibility when a patient does not provide an Assistance Application or supporting documentation. 6. Financially indigent patients receive a 100% discount. Medically indigent patients owe the lesser of the patient's account balance or 10% of the patient's gross charges. However, in no case will the individual will be charged more for emergency or other medically necessary care than the amounts generally billed to individuals who have insurance covering such care (¿AGB¿). In determining AGB, the hospital has elected to use the Look-back Method in which the AGB is based on Medicare fee-for-service, as outlined in Internal Revenue Code (IRC) Section 501(r), to establish the maximum amount that will be charged to a patient qualifying for financial assistance.
