Frederick Chan

Name:

Person completing this form if different from above:

1. Include your hospital's Charity Care Mission statement in the space below.

^{*}This summary form is to be completed by each nonprofit hospital. Hospitals in a system must report on an individual hospital basis. Public hospitals, for-profit hospitals participating in the Medicaid disproportionate share hospital program and exempt hospitals are not required to complete this form. This form is only available in PDF format at DSHS web site: https://www.dshs.texas.gov/chs/hosp/hosp3.aspx under 2020 Annual Statement of Community Benefits Standard.

^{**} The information in the manual will be made available for public use. Please report most current information on the charity care policy and community benefits provided by the hospital.

^{***} The list is also available on DSHS web site: https://www.dshs.texas.gov/chs/hosp/default.shtm.

In this place, courtesy governs interactions, dignity can be found, hope grows. Who cares? I CARE, and this place also provides care in such a way that people in need will seek our help before any other.

- 2. Provide the following information regarding your hospital's current charity care policy.
 - a. Provide definition of the term **charity care** for your hospital.

Intracare North Hospital shall maintain a written set of guidelines by which an assessment of a patient's financial status shall be made. The guidelines shall serve as the basis for a determination of eligibility for charity care. Patient eligible for charity care shall be those persons determined to be financially and medically indigent. For the purpose of this policy, charity care shall be defined as any services provided to a person who is financially or medically indigent pursuant to the hospital's eligibility system. Financially indigent shall be defined as the financial status of a person whose annual gross income does not exceed two hundred percent of the federal poverty guideline as published by the U.S. Department of Health & Human Services. Medically indigent shall be defined as the financial status of a person whose medical or hospital bills after payments by third party payers exceed seven percentage of the person annual gross income and that the person is financially unable to pay the remaining portion of the medical or hospital bills. Admitting person shall advise all patients of the available procedure for applying charity care.

b. What percentage of the federal poverty guidelines is financial eligibility based upon? Check one.

1. 100%	4. <200%	
2. <133%	5. Other, specify
