Person completing this form if different from above:

Name: _____ Phone: _____

*This summary form is to be completed by each nonprofit hospital. Hospitals in a system must report on an individual hospital basis. Public hospitals, for-profit hospitals participating in the Medicaid disproportionate share hospital program and exempt hospitals are not required to complete this form. This form is only available in PDF format at DSHS web site:

<https://www.dshs.texas.gov/chs/hosp/hosp3.aspx> under 2020 Annual Statement of Community Benefits Standard.

** The information in the manual will be made available for public use. Please report most current information on the charity care policy and community benefits provided by the hospital.

*** The list is also available on DSHS web site: <https://www.dshs.texas.gov/chs/hosp/default.shtm>.

I. Charity Care Policy:

1. Include your hospital's Charity Care Mission statement in the space below.

The Menninger Clinic (The Clinic) is a leading psychiatric center dedicated to treating individuals with psychiatric illness. In support of this mission, Menninger provides financial assistance for emergency and medically necessary care to individuals who are classified as medically or financially indigent and who meet The Clinic's Financial Assistance policy. Patient notices about Menninger Financial Assistance will be available in applicable languages on the website, admissions offices, outpatient offices, finance offices, and the general waiting area.

2. Provide the following information regarding your hospital's current charity care policy.

a. Provide definition of the term **charity care** for your hospital.

Charity care is not defined. Below is what is stated in the policy. Clinic Admission Criteria: Pre-established criteria that all patients must meet in order to be accepted into any inpatient program. Examples of the criteria include, but are not limited to, presence of psychiatric or substance abuse diagnosis as principal diagnosis, voluntary status, the patient's level of aggression, ability to participate in their care, ability to provide activities of daily living with minimal assistance, and the level of general medical care needed.

b. What percentage of the federal poverty guidelines is financial eligibility based upon? Check one.

4

1. 100% 4. <200%

2. <133% 5. Other, specify _____

3. <150%

c. Is eligibility based upon net or gross income? Check one.

d. Does your hospital have a charity care policy for the Medically Indigent?

YES NO IF yes, provide the definition of the term **Medically Indigent**.

Medically Indigent is not defined. Below is what is stated in the policy. Medically Indigent Criteria: Previous payments to Menninger Clinic and/or future payment plans to other medical providers, for previous healthcare services, may be used to reduce the household income of the patient/guarantor. To be considered for financial assistance under medically indigent criteria, all of the following criteria must be met: a. Annual income between 201% - 300% of FPL. b. Previous payments to The Menninger Clinic, within the last 12 months, or future payment plans to other medical providers, for previous healthcare services, that exceed 20% of the annual household income. c. The verified payment amounts will reduce the reported income used to consider financial eligibility. d. The revised household income does not exceed 200% FPL as stated in the financial criteria.

e. Does your hospital use an Assets test to determine eligibility for charity care?

YES NO If yes, please briefly summarize method. n/a

f. Whose income and resources are considered for income and/or assets eligibility determination?

YES NO

II. Community Benefits Projects/Activities:

Provide information on name, brief description (3 lines), target population or purpose (3 lines) for each of the community benefits projects/activities CURRENTLY being undertaken by your hospital (example: diabetes awareness).

From our website: Community Engagement At Menninger, we re committed to enhancing mental healthcare in the Houston area, particularly in underserved areas. BridgeUp at Menninger BridgeUp at Menninger aims to promote innovative collaborations among multi-sector community organizations to produce measurable improvement in mental health, with a particular focus on vulnerable adolescents in Greater Houston schools, through the funding of one-year grants. The Gathering Place Free vocational skills training, a wellness program, employment assistance and recreational and social activities are available for the more than 300 members of The Gathering Place, a psychosocial clubhouse for adults with persistent mental illness. Community Healthcare Needs Assessment Menninger provides mental health services to adolescents and adults from the local, regional and national communities. Our Board of Directors approved the most recent Community Healthcare Needs Assessment in November 2019. It reflects the portrait of mental health needs and outlines how Menninger aligns its services to help respond to the community's needs. You can also see the associated implementation plan.

Additional Information:

Use this space if more space is required for comments or to elaborate on any of the information supplied on this form. Please refer to the response by question and item number.
