II. Community Benefits Projects/Activities:

Provide information on name, brief description (3 lines), target population or purpose (3 lines) for each of the community benefits projects/activities CURRENTLY being undertaken by your hospital (example: diabetes awareness).

Our mission is to enhance the health of people within our region, including those in the community who are most vulnerable, such as patients with financial or medical hardships. Our system provides financial assistance to those who: 1. Meet the eligibility requirements for the Peterson Health Charity Care Program; 2. Have no other means to meet their financial obligations to Peterson Health and its physicians; and 3. Have completed an application for assistance and have been approved in the screening process. Current community benefits activities include a Parkinson's Support Group, Fall Prevention Classes, a Back to Life Program for joint replacement patients, a Transplant Support Group, and many others.

Additional Information:

Use this space if more space is required for comments or to elaborate on any of the information supplied on this form. Please refer to the response by question and item number.
