#### I. Charity Care Policy:

1. Include your hospital's Charity Care Mission statement in the space below.

The policy addresses charity care for the uninsured and the under-insured patients. As a non-profit, charitable, religious-based healthcare provider, CHRISTUS St. Michael Health System (CSMHS) facilities will provide medically necessary services at no charge to patients who meet the specific criteria defined herein. These criteria's are objectively determined and shall be consistently applied across the CSMHS delivery systems to hospitals, clinics, and other healthcare services.

- 2. Provide the following information regarding your hospital's current charity care policy.
  - a. Provide definition of the term **charity care** for your hospital.

Charity care is defined by the State of Texas as the unreimbursed cost of providing funding or otherwise financially supporting services on an inpatient or outpatient basis to a person classified by the healthcare center as financially indigent or medically indigent.

b. What percentage of the federal poverty guidelines is financial eligibility based upon? Check one. 5

- d. Does your hospital have a charity care policy for the Medically Indigent?

Medically Indigent shall mean the patient whose medical or hospital bills after payment by third-party payers exceed a specified percentage of the persons annual gross income and unable to pay the remaining bill. The patient who incurs catastrophic medical expenses is classified as medically indigent when payment would require liquidation of assets critical to living or would cause undue financial hardship to the family support system. If a family's income exceeds the poverty guidelines, then the patient may qualify to apply for a grant for the amount of the bill that is in excess of 10% of the family's annual gross income. A payment plan may be established to pay the remaining balance.
