^{*}This summary form is to be completed by each **nonprofit** hospital. Hospitals in a system must report on an individual hospital basis. Public hospitals, for-profit hospitals participating in the Medicaid disproportionate share hospital program and exempt hospitals are not required to complete this form. This form is only available in PDF format at DSHS web site: www.dshs.texas.gov/chs/hosp under 2023 Annual Statement of Community Benefits Standard.

^{**}The information in the manual will be made available for public use. Please report most current information on the charity care policy and community benefits provided by the hospital.

^{***}The list is also available on DSHS web site: http://www.dshs.texas.gov/chs/hosp/

I. Charity Care Policy:

1. Include your hospital's Charity Care Mission statement in the space below.

Consistent with the mission of Seton and as an Ascension Health sponsored healthcare organization, Seton will provide medically necessary services within a defined benefit structure to eligible patients who are financially or medically indigent. The amount of charitable services provided will be subject to Seton s financial ability to absorb the cost of such services, while simultaneously ensuring financial viability. Every effort will be made to educate professional and medical staff and the public, as to the criteria and processes followed in the application of this policy. Seton will seek assistance in funding charitable services from available sources.

- 2. Provide the following information regarding your hospital's current charity care policy.
 - a. Provide definition of the term **charity care** for your hospital.

The policy does not define the term charity care per se; the implied definition is medically necessary services provided to eligible patients who are financially or medically indigent and who have no/discounted obligation to pay for services rendered. In addition to third party payers, Medical Indigence can also be Self Pay.
