

## 2014 Texas Selected Cancer Facts

## El Paso County

Texas Selected Cancer Facts are provided by the Texas Cancer Registry (TCR), Texas Department of State Health Services. The TCR is a statewide population-based registry that serves as the primary source of Texas cancer data. These data are used to measure the Texas cancer burden, progress in cancer prevention and control, and support a wide variety of cancer research.

El Paso County

In 2014, it is estimated that there will be 3,113 new cancer cases and 1,106 cancer deaths in El Paso County.
