

WE NEED YOU!

DSHS is still recruiting clients to participate in a user group to inform decision-making and/or assisting with testing during the development of the new HRAR database.

WHAT IS HRAR?

A project to develop a new application that will replace existing HIV databases. The goal of HRAR is to improve customer service delivery & client outcomes.

You're Invited...
to join the
HRAR User Group

HOW TO JOIN?

Fill out a quick [survey](#) (*less than 5 minutes to complete!*) and the HRAR team will be in touch. Email HRARinfo@dshs.texas.gov with questions.

WHO SHOULD JOIN?

- Clients & support persons
- *All provider user groups are now closed due to filled capacity*
