

## Memorandum

---

**#11-095**

**TO:** WIC Regional Directors  
WIC Local Agency Directors

**FROM:** Linda Brumble, Unit Manager  
Nutrition Education/Clinic Services Unit  
Nutrition Services Section

**DATE:** July 15, 2011

**SUBJECT:** CCNE and VENA Survey

---

The University of Texas at Austin is working with Texas WIC to evaluate the new CCNE and VENA staff training DVDs. Staff completed an online pretest survey last year, and it is now time for the follow-up posttest.

We would like to request that **all class instructors and VENA counselors** complete the online survey, regardless of whether or not you have used the training DVDs in your agency. We would like to hear from as many staff members as possible. Answers will be used to assess the impact of the DVDs on staff attitudes and confidence, and to determine additional training needs.

The link to the survey is: [https://utaustined.qualtrics.com/SE/?SID=SV\\_6WfMzz6xoZ3BXta](https://utaustined.qualtrics.com/SE/?SID=SV_6WfMzz6xoZ3BXta).  
**The survey will be available until Wednesday, July 27.**

The survey is brief and consists mostly of multiple-choice questions with a couple of brief comment type questions. The survey should take no more than a few minutes to complete.

Thanks so much for your valuable input.
