

Memorandum

#12-064

TO: WIC Regional Directors
WIC Local Agency Directors

FROM: Linda Brumble, Unit Manager
Nutrition Education/Clinic Services Unit
Nutrition Services Section

DATE: June 18, 2012

SUBJECT: FY 2013 Nutrition Education and Breastfeeding Promotion Plan

Due to a substantial increase in workload and reprioritization of projects, state developers will not be creating a Nutrition Education and Breastfeeding Promotion (NEBF) plan for FY 2013. Therefore, the FY 2012 NEBF plan will carry over through FY 2013.

However, class schedules **will** need to be created by NE coordinators for FY 2013 and updated and maintained throughout the year. Please work with your state NEBF liaison to revise your agency's class schedule this summer before the new fiscal year begins.

Note: this only affects the FY 2013 NEBF plan. It is anticipated that our developers will resume work on the FY 2014 NEBF plan early in 2013.

If you have questions or require additional information, contact your NEBF liaison.
