---

Please join us for the WIC Quarterly Online Sharing Session **Thursday, April 24, 2014, 12:00 – 1:00 p.m. CST**, to discuss Client-Centered Nutrition Education (CCNE). This quarter we will be discussing the use of the Obesity Prevention Mini-Grants (OPMGs) to increase the types of CCNE offerings that will be available to participants. All Local Agency (LA) staff, particularly Nutrition Education Coordinators and those LAs that currently have OPMG projects, as well as those interested in beginning an OPMG project, are invited and encouraged to attend. We will hear from agencies currently using OPMG programs in creative and exciting ways. We will also discuss new and upcoming CCNE lessons, trainings, and resources. This will be a great opportunity to get the latest updates, as well as share your questions and ideas. We hope you will be able to join us.
