

Memorandum

#14-140

TO: WIC Regional Directors
WIC Local Agency Directors

FROM: Amanda Hovis, Director
Nutrition Education/Clinic Services Unit
Nutrition Services Section

DATE: December 5, 2014

SUBJECT: Breastfeeding Support Group Code – PC-000-01

There is a new code for Breastfeeding Support Groups. PC-000-01 should be used for participants that attend a meeting lead by a Peer Counselor or designated breastfeeding expert to support breastfeeding moms. The code should not be used for general breastfeeding classes.

Each Breastfeeding Support Group should have a topic prepared to begin the discussion; however, the participants may change the direction of the meeting based on their current concerns. The purpose of the group is for participants to discuss concerns, successes and questions that they may have about breastfeeding.

If you have any questions please contact Kristina Arrieta at Kristina.Arrieta@DSHS.state.tx.us or (512) 341-4593.
