

Memorandum

#15-079

TO: WIC Regional Directors
WIC Local Agency Directors

FROM: Amanda Hovis, Director
Nutrition Education/Clinic Services Unit
Nutrition Services Section

DATE: June 25, 2015

SUBJECT: Re-launch of TexasWIC.org website

This memo confirms that the TexasWIC.org website, Texas WIC's public portal for engaging clients and partners, has been updated and re-launched on June 22, 2015. The URL (www.TexasWIC.org) did not change and users are automatically directed to the new site.

For additional information about the new site, please see memo [15-068 May 22 Materials and training for staff on TexasWIC.org website re-launch](#).

The site works well on desktop computers and most mobile devices, though may not work optimally on the newest devices. Please be patient as the site continues to undergo updates and improvements. TexasWIC.org posters and fliers for clinics (stock #13-06-12217 & stock #13-06-12216) were distributed to local agencies in March; please display them prominently. Additional posters and fliers are being printed and will be available to order from the WIC catalog.

If you have any questions or require additional information, please contact Erica Harris, Nutrition Education Consultant, Nutrition Education/Clinic Services Unit, at (512) 341-4588 or erica.harris@dshs.state.tx.us.
