

Memorandum

#15-088

TO: WIC Regional Directors
WIC Local Agency Directors

FROM: Amanda Hovis, Director
Nutrition Education/Clinic Services Unit
Nutrition Services Section

DATE: August 14, 2015

SUBJECT: Infant Food Package 450 Converting to 686

Food package 450 for 6-11 Month Old Exclusively Breastfeeding Infants is automatically being converted to 686 for October issuances. Local agency staff may notice this on the Shopping List when participants receive advance issuance. This change is due to the allowance of organic baby meats in October which required changes to the food package.
