New Payment Process

Texas WIC is making great strides to become a paperless organization. As a result, Direct Deposit Notifications will be sent via email on a weekly basis, in either PDF or Excel format.

Additionally, all vendors still receiving Warrants are strongly encouraged to provide the documentation needed to start the direct deposit process. Furthermore, Vendors will not receive Notification Warrants along with checks. Notification Warrants will be sent by email while checks will be mailed to vendors.

The Texas WIC Vendor Management & Operations (VMO) team is ready to assist you should you have any questions regarding the specifics of this vendor news flash. Contact Connie Oyervides with the WIC EBT Operations Support team at 512-341-4631, or email at connie.oyervides@dshs.texas.gov .
