

Memorandum

#16-030

TO: WIC Regional Directors
WIC Local Agency Directors

FROM: Amanda Hovis, Director
Nutrition Education/Clinic Services Unit
Nutrition Services Section

DATE: March 22, 2016

SUBJECT: Revised And Justice for All Poster (AJFA)

The United States Department of Agriculture (USDA) revised the And Justice for All (AJFA) poster and it is available for ordering through Business Ink. The new AJFA poster includes a revision date (December 2015) but does not include a stock number. Local agencies can order the AJFA poster with stock no. 13-183P-2015 and future reprints of the poster will reflect the stock number.

Revisions to the AJFA poster

- Updated non-discrimination statement
- Information for persons with disabilities who require alternative means of communication for program information
- Expanded information on how to file a complaint alleging discrimination

Non-discrimination statement

Effective October 1, 2016, all eligibility forms and Outreach publications will be revised to include the long version of the non-discrimination statement as written in WIC Policy CS:02.0 Nondiscrimination. We recommend Local Agencies decrease the reorder amounts of forms and publications as these will need to be depleted by September 30, 2016.
